RECITALS

WHEREAS, Provider has agreed to provide certain services for Projects owned or developed by Client and for Client to compensate Provider for such services and related costs as set forth herein;

WHEREAS, Client or one or more of Client's affiliated companies may, from time to time and in accordance with this Agreement, contract for Provider's services for a specific project in accordance with the terms of this Agreement; and

NOW, THEREFORE, the Parties hereby agree as follows:

1 SERVICES

- 1.1 Provision of Services. Provider will use commercially reasonable efforts to provide Client with the services ("**Services**") set forth in each "**System Enrollment Form**". The System Enrollment Forms will be as executed by Provider and Client. A System Enrollment Form will be effective upon execution by Provider and Client or an applicable Project Representative. Each System Enrollment Form will be deemed to be a separate agreement between Provider and the Client or Project Representative (as applicable) - and incorporates all the terms and conditions of this Agreement. A Project Representative that executes a System Enrollment Form will be deemed the "Client" under this Agreement for purposes of such System Enrollment Form. In the event of any conflict between the terms of this Agreement and the terms of any System Enrollment Form, the terms of this Agreement shall govern.
- 1.2 Use of Subcontractors. Client acknowledges that Provider may provide any or all Services through subcontractors chosen by Provider. Provider is responsible for the performance of all its subcontractors who provide Services under this Agreement (as if performed by Provider).
- 1.3 Client Obligations. Client agrees it will provide Provider with all reasonably requested documentation in connection with the Services (such as, if applicable, site access protocols, site safety policies, and site host lease agreements).

2 FEES AND PAYMENT

- 2.1 Fees. Unless otherwise provided in a System Enrollment Form, Provider will invoice Client annually in advance for all fees (but fees for Auxiliary Services will be invoiced at the time the applicable services are completed, unless included in the Annual Plan Cost in the System Enrollment Form). Any dispute by Client to an invoice must be raised within thirty (30) days from receipt of invoice (or the invoice is deemed final).
- 2.2 Taxes. All amounts charged by Provider under this Agreement are exclusive of taxes, duties, or similar charges imposed by any government, and Client agrees to pay for any and all federal, state, or local sales, use, excise, privilege, or other taxes, duties or assessments, however designated or levied, relating to the amounts charged under this Agreement, exclusive of taxes based on Provider's net income.
- 2.3 Late Payments. Late payments will be subject to a finance charge of the lesser of 1.5% per thirty (30) day period and the greatest amount allowed by applicable law. In addition, Client will reimburse Provider for all costs of collection (including attorneys' fees).

3 TERM AND TERMINATION

- 3.1 **Term.** This Agreement will have an initial term commencing on the Effective Date and continue until the fifth (5th) anniversary of the Effective Date. Thereafter, this Agreement will automatically renew and continue for additional one (1) year terms (collectively, with the initial term, the “**Term**”), unless either Party, no later than ninety (90) days prior to the expiration of the then-current Term, provides written notice of non-renewal to the other Party. Each System Enrollment Form shall have its own term (set forth therein). Thereafter, each System Enrollment Form will automatically renew for consecutive periods of one year unless either Party, no later than thirty (30) days prior to the expiration of the then-current System Enrollment Form term, provides written notice of non-renewal to the other Party.
- 3.2 **Termination.**
- 3.2.1 **Termination for Cause.** Either party may terminate this Agreement if the other party materially breaches this Agreement and fails to cure such breach within thirty (30) days from receipt of written notice thereof (provided that such notice provides sufficient detail regarding the breach and states the intent to terminate). Notwithstanding the foregoing, if the breach cannot reasonably be cured within such period, and the breaching party commences to cure within such thirty (30) day period, then the non-breaching party shall not be entitled to terminate this Agreement pursuant to this Section 3.2.1 until such time as the earlier of (i) the breaching party ceases all its endeavors to cure, or (ii) the expiration of ninety (90) calendar days from the original breach notice referenced above. In addition, either party may terminate this Agreement on thirty (30) days written notice if the other party becomes judicially declared insolvent, enters bankruptcy, or fails to pay its general debts as they become due.
- 3.2.2 **Other Termination Rights.** Either Party may terminate this Agreement on five (5) days written notice if there are no System Enrollment Forms in effect. A System Enrollment Form may provide for additional termination rights.
- 3.2.3 **Fees on Termination.** In the event of any termination by Provider for Client’s uncured breach pursuant to Section 3.2.1 above, all fees for what would have otherwise been the full term (i.e., as if termination has not occurred) will be non-cancellable and non-refundable (and will become promptly due). In the event of any termination by Client for Provider’s breach pursuant to Section 3.2.1 above, Client shall pay Provider for all Services performed through the termination date. On any termination, other than for Client’s breach, Provider will use commercially reasonable efforts to cooperate with Client in winding down the Services and transitioning to an alternate service provider (assistance will be charged at Provider’s then-current rates).
- 3.2.4 **Effect of Termination.** In the event this Agreement expires due to non-renewal as set out in Section 3.1 above, it will remain in effect for all System Enrollment Forms then-in-effect. Termination of this Agreement between Provider and a Project Representative will automatically terminate all System Enrollment Forms between Provider and such Project Representative (but will not terminate this Agreement with respect to any other Project Companies). Termination of this Agreement shall not affect any rights or obligations as between the Parties which may have accrued prior to such termination or which expressly or by implication are intended to survive termination whether resulting from the event giving rise to termination or otherwise.

4 INDEMNIFICATION

- 4.1 **Indemnification by Provider.** Provider shall indemnify, defend and hold harmless Client and its respective officers, employees, partners, Affiliates and agents, from and against all third party claims (and all resulting, to the extent payable to unaffiliated third parties: damages, liabilities, penalties, costs and expenses, including reasonable attorneys’ fees) to the extent arising out of: (i) the negligence, fraud or willful misconduct of Provider, its Affiliates or its Subcontractors in providing the Services; or (ii) any material breach by Provider (or its Subcontractors performing Provider’s obligations on its behalf) of this Agreement.
- 4.2 **Indemnification by Client.** Client shall indemnify, defend and hold harmless Provider and its Subcontractors, and its and their respective officers, employees, partners, Affiliates and agents, from third party claims to the extent arising out of Client’s: (i) negligence, fraud, or willful misconduct committed during (a) the initial construction of the Project at a Host Customer’s Site or (b) the maintenance of the Host Customer’s Site prior to the assignment of such Project to Provider, or (c) the course of this Agreement; or (ii) material breach of this Agreement.
- 4.3 **Procedures.** Each party’s (as “**Indemnitor**”) indemnity obligations are contingent on the other party (as “**Indemnitee**”) providing it with prompt written notice of all claims and threats thereof, sole control of all defense and settlement activities, and all reasonably requested assistance with respect thereto. The Indemnitor will not be responsible for any settlement it does not approve in writing.

5 FORCE MAJEURE

Except for payment obligations, neither party shall be liable to the other for any delay or failure to perform any obligation under this Agreement (except for a failure to pay fees) if the delay or failure is due to events which are beyond the reasonable control

of such party, such as, but without limitation, a strike, blockade, war, act of terrorism, riot, natural disaster, pandemic, failure or diminishment of telecommunications, or refusal of a license by a government agency ("Force Majeure Event"). In the event a party's performance pursuant to a System Enrollment Form is prevented for more than thirty (30) days due to a Force Majeure Event, the other party may terminate the specific System Enrollment Form on five (5) days written notice.

For a period of five (5) years after termination of this Agreement, the Receiving Party will (i) hold all Confidential Information of the Disclosing Party in trust and confidence and avoid the unauthorized disclosure or release thereof to any other person or entity by using the same degree of care as the Receiving Party uses to avoid unauthorized use, disclosure, or dissemination of its own confidential information of a similar nature, but, in any event, not less than a reasonable degree of care, and (ii) not use such Confidential Information for any purpose except as expressly contemplated under this Agreement; provided that, to the extent Confidential Information constitutes a trade secret under applicable law, the Receiving Party agrees to protect such information for so long as it qualifies as a trade secret. The Receiving Party may disclose Confidential Information to the extent required to comply with binding orders of governmental entities that have jurisdiction over it; provided that, to the extent legally permitted, the Receiving Party gives the Disclosing Party reasonable written notice to allow the Disclosing Party to seek a protective order or other appropriate remedy, discloses only such Confidential Information as is required by the governmental entity, and uses commercially reasonable efforts to obtain confidential treatment for any Confidential Information disclosed.
